

Hang tag template 2 x 2 in, clipped corners

Trim: 2 x 2 in = 50.8 x 50.8 mm (listed as 50 x 50 mm).
Drawn at 1:1. To check it on paper, print at 100% (actual size).

- Trim / cut line and hole: magenta, solid (spot colour CutContour).
- Bleed: cyan, dashed, 0.125 in (3.175 mm) outside the trim.
- Safe area: green, dashed, 0.125 in (3.175 mm) inside the trim.
- Hole guide: 3.5 mm, centred, 7 mm from the top edge to its centre.

Corners: clipped at 45 degrees, 0.125 in (3.175 mm) along each edge.
Run background colour and images out to the bleed line. Keep text and logos inside the safe area and clear of the hole.
Guide lines and this panel are not part of the printed design. The bleed, safe area and notes layers are set not to print.

Guide only - Yuan Packaging confirms the dieline on your proof.
